FOR IMMEDIATE RELEASE

VALERIE KIMBALL, M.D., NAMED TO SMART LOVE FAMILY SERVICES BOARD OF DIRECTORS

(CHICAGO, Illinois)- Traisman, Benuck, Merens and Kimball, LLC'S Dr. Valerie Kimball has joined the Board of Directors at Smart Love Family Services, an organization that provides counseling services, parent education, and early childhood education for families who are looking to achieve greater inner well-being, sustain closer relationships and reach their full potential in life. Dr. Kimball is a general pediatrician and partner physician at her practice.

In addition to her work as a pediatrician, Dr. Kimball is also an Assistant Professor of Clinical Pediatrics at Northwestern University Feinberg School of Medicine. She serves on the Board of Directors of the Children's Community Physicians Association and is a member of the Pediatric Practice Research Group, both affiliated with the Ann & Robert H. Lurie Children's Hospital of Chicago.

“We are glad to have someone with such a wealth of expertise in general pediatric medicine on our board,” says Smart Love Executive Director Carolyn Stolper Friedman. “With three children of her own, Dr. Kimball will make a great addition.”

The seven-member board will help guide Smart Love Family Services in its mission to positively influence children’s social and emotional outcomes.

The mission of Smart Love Family Services is to help children, adolescents, parents, couples and adults achieve greater inner well-being, sustain closer relationships, and reach their full potentials in life. Its services are based on Smart Love™ principles and includes counseling, parent coaching, and parent education classes. Smart Love also provides training and consultation to agencies, schools and organizations, helping their childcare personnel positively influence children’s social and emotional outcomes.
