Smart Love returns as a sponsor of Chicago Kids Day, a celebration of children’s health and wellness with a mission to create a fun and entertaining way to educate and teach kids about health and safety.

The 8th annual Chicago Kids Day had a turnout of 600 people, and raised over \$8,000 for the Healthy Kids' Campaign for the Lake View YMCA, where children in need will get scholarships for after school programs and summer camps, helping to make the kids in our community healthier and happier.
