FAMILY SERVICES

PSYCHOLOGICAL/NEUROPSYCHOLOGICAL TESTING

Smart Love Family Services is seeking an Illinois Clinical Psychologist as a part – time independent contractor to providing testing services in our Oak Park office.

We complete comprehensive evaluations examining general intellect, memory, learning style, academic skills, attention/concentration, language, executive functioning (organization, problem-solving, and planning), visual-spatial abilities, and sensory motor functions.

Typical referrals – autism spectrum disorders, emotional disorders, learning disabilities, cognitive disorders, ADHD, dementia, and developmental delays

Requirements:

Testing experience with children/adolescents

Testing experience with adults is preferred but not necessary

Payment structure: As an independent contractor (1099) pay will be a percentage of collections (commensurate with testing experience) from testing fees.

Please submit a CV or Resume to Dr. Beatrici at Carla.beatrici@smartlovefamily.org. Please call 773-665-8052, ext. 200 if you have questions.
