Fostering Happiness, Igniting Imaginations

The Natalie G. Heineman Smart Love Preschool provides a setting that promotes young children's long-term academic success by strengthening their social-emotional health and inspiring their intellectual creativity through play-based learning. Housed in an historic mansion in Chicago's Logan Square neighborhood, the fully licensed school includes three classrooms, family room, expansive yards and farmer-in-residence garden program. We offer an early childhood curriculum informed by the Smart Love[®] approach that expands upon Illinois early childhood educational benchmarks.
